Thirteen Days in September : Carter,
Begin, and Sadat at ...

In his can't-put-down new book,
Thirteen Days in September: Carter,
Begin, and Sadat at Camp David,
Lawrence Wright masterfully delivers
the inside story of one of the least
chronicled and most consequential
events in modern times. Today, the
Camp David summit represents
something of a talisman in Middle
East diplomacy, but what 's really
striking about Wright 's powerful
narrative is just what a high-wire act
the whole thing really was.
