But this is not — could not be — that story.  
A little before two that morning, the boy  
came outside looking for a cigarette. The  
dorm's resident assistant, a young woman  
who faced the world with a desperate, self-  
effacing cynicism, was standing in the  
cold, shivering and sucking on a Marlboro  
Light.

This Is the Story is the debut studio album from The Proclaimers, released in 1987. It was originally released with 12 tracks but after the success of the Gerry Rafferty-produced full band version of "Letter from America", which reached number 3 in the UK Single Chart, it was re-pressed later that year with that track added.. The album was re-issued in 2001.

~~That's Not How ...~~

"This is Not a Story About..." is a classically-inspired modern radio program about the history of cinema written and hosted by filmmaker Ted Geoghegan. Each episode of the program begins as the story of someone or something in the world of film that cinephiles know very well, but transforms into an expertly-researched tale about a new topic: one that can be closely-related or worlds away from where its story began.
