With 'Time and Time Again' they adopt a similarly light, subtle style, but take it further. The rhythm here is barely stated at all, giving the music a floating quality, and allowing Motian to use his drums very imaginatively. Frisell's guitar creates a wonderful range of sounds and Lovano usually takes the lead in stating melody.

The phrase is away from repeating the words "again and again" to making them into "time and again". The time in the phrase refers to something that is happening a lot or "every time". The origin of the phrase is speculated to have been in the American English language but there is no literary source available to prove the same.
