Vitro has pretty much all the key components necessary for a really fun action/adventure hit: we start with the setting and atmosphere of the creepy desert island (by the name of Skin Island, no less), which Jessica Khoury nails; then there's the handful of interesting conspiracies and twists, and behind it all, a villain whose motives are entirely believable (which makes everything even more spine-tingling).

**Vitro (Corpus, #2) by Jessica Khoury - Goodreads**

Vitro is not a sequel to Origin, but it is a companion novel. That means it is set in the same universe as the one Pia lives in, but only one character appears in both. You don't have to read them in any particular order, since the stories are each independent of the other. Book 1

**Corpus Series by Jessica Khoury - Goodreads**

A death-defying tropical adventure delivers a frightening message about dabbling with creation from the talented author of Origin. On a remote island in the Pacific, Corpus scientists have taken test tube embryos and given them life. These beings—the Vitros—have knowledge and abilities most humans can only dream of. But they also have one enormous flaw. Sophie Crue is determined to get to ...
