I have a 2000 V70 XC AWD and no manual but I found a free download and printed it myself. It's big but complete. Go to devicemanuals.com and try there. I got mine from a Volvo website but can't find it now. It was a Volvo books thing but you'd have to look around for it. Also try entering "free download volvo owner's manuals."

Manuel du propriétaire - VOLVO V70 & XC70

2000 Volvo S & V70 chapters of this manual. Information contained in the balance of the manual is extremely useful and should be read after operating the vehicle for the first time. The manual is structured so that it can be used for reference. For this reason, it should be kept in the car for ready access.
