Wait for You (Wait for You #1)[27] J. Lynn. The museums were packed with mostly families, and I wasn ' t sure if that was normal for a day after a holiday. Jennifer L. Armentrout, New York Times best-selling author of the Wait for You series, delivers a new novel of first love, second chances, and scorching chemistry between an artistic bartender and the tough, sexy cop who's determined to win her. Roxy's loved Reece Anders since she was 15, so when the straitlaced cop finally surrendered to a steamy encounter years later, Roxy hoped he'd fall for her, too.
