Simone Weils "Waiting for
God" was first published,
posthumously, in 1951. And
readers beware: "Waiting for
God" is a dense, highly
politicized book. (Weil had
been a Marxist and trade
unionist before encountering
mysticism.)

Waiting for God - Simone Weil - Google Books

This is one of the great misfortunes of our race. A man speaks opium in order to attain to a special condition, which he thinks superior; often, as time goes on, the opium reduces him to a miserable condition which he feels to be degrading; but he is no longer able to do without it." ? Simone Weil, Waiting for God.

Waiting for God Quotes by Simone Weil - Goodreads

Waiting For God (1951)

Simone Weil How did a left-wing intellectual become one of the twentieth century's better-known mystics? This is the mystery of Simone Weil's short life. Born in Paris, her background was middle class, Jewish, and agnostic, and as a gifted student she sailed through school and university.

Simone Weil - Wikipedia

A work first published in
English in 1951, *Waiting on
God* forms the best possible
introduction to the work of
Simone Weil, for it brings
us into direct contact with
this amazing personality, at
once so pure, so ardent, so
utterly sincere, yet
normally so reserved that
only her closest friends
guessed the secrets of her
inner life.

The Question of God . Other Voices . Simone Weil | PBS

Simone Weil lived her life
to the maximum, though she
died at 34 in 1943.

Intellectually a genius, her
passion was to know and live
life through the eyes of the
sufferings of others. Her
unexpected reward was to
know God, to love Jesus and
to yearn for his lasting
peace.

reviews: Waiting for God

Waiting for God is one of her most remarkable books, full of piercing spiritual and moral insight. The first part comprises letters she wrote in 1942 to Jean-Marie Perrin, a Dominican priest, and demonstrate the intense inner conflict Weil experienced as she wrestled with the demands of Christian belief and commitment.
