A villain from Wicked Bronze Ambition refers to the sentient flying thunder lizards as "dragons". Disproportionate Reward: Garrett suffers this at the hands of Chodo Contague after inadvertently helping him eliminate a threat and (later) saving his life. Chodo feels indebted to him, and wouldn't hesitate to kill off any number of mooks to be square.

private investigator. The novels are written in a hard-boiled detective fiction style, with elements of traditional mystery and dialogue-based humor. Garrett, during his adventures in his home city of TunFaire and across Karenta and the Cantard, has to deal with elves, vampires, centaurs, trolls, and numerous mixed breeds, along with gods, wizards, witches and more. Unlike most fantasy series, the

Just finished all 14 of Cook's Garrett P.I. novels. I read & enjoyed most of these when they originally released. The last dozen evenings have been a treat, adventuring again with Garret, Morley, Saucerhead, Tinnie and the whole gang. It was a amusing watching Garrett mature as Cook has joined the league of old farts.

It gets worse in Wicked Bronze Ambition, when we learn that Garrett left out some woeful details when he told Maya about his mother. She actually had a debilitating stroke when she was told the last of her family had died, and lost her ability to say Garrett's name among other things.

~~Garrett, P.I. / YMMV - TV Tropes~~

Garrett, P.I. is a long-running Fantasy noir series by Glen Cook. A Low Fantasy story set in a High Fantasy world, more specifically a fantasy counterpart of St. Louis populated by pretty much every fantasy creature ever conceived, the series follows the eponymous private investigator through his Chandleresque adventures.
