There's a sadness within Krista, in fact, this is the first Belinda Jones book I've ever been teary eyed at. Maybe it's the secret she carries, or the way it's reacted to... but all I can tell you is this topics dealt with in such a respectful and heartfelt way that you can feel all of Krista's emotions jumping off the page .

Belinda Jones is one of my favourite authors. I love how she transports you to where the story is set you actually believe you are there too & this one doesn't disappoint. It's engaging from the start & draws you into Krista's world. Classic chic lit romance without being ott, with a few chuckles along the way.
