### WORLD CONGRESS ON MEDICAL PHYSICS AND BIOMEDICAL ENGINEERING

The World Congress on Medical Physics and Biomedical Engineering 2021 (WC2021) is the world's leading forum for presenting the scientific results and major innovations in health-related technologies to a global audience for the medical physics and biomedical engineering fraternity. This triennial event will be held for the first time in South East Asia from 30 May - 4 June 2021 at the Sands Expo® and Convention Centre, Marina Bay Sands and the Biomedical Engineering Society (Singapore) ...

This book presents the proceedings of the IUPESM World Congress on Biomedical Engineering and Medical Physics, a tri-annual high-level policy meeting dedicated exclusively to furthering the role of biomedical engineering and medical physics in medicine.

### World Congress on Medical Physics and Biomedical ...

About this book. This book (vol. 3) presents the proceedings of the IUPESM World Congress on Biomedical Engineering and Medical Physics, a triennially organized joint meeting of medical physicists, biomedical engineers and adjoining health care professionals. Besides the purely scientific and technological topics, the 2018 Congress will also focus on other aspects of professional involvement in health care, such as education and training, accreditation and certification, health technology ...

23—25 August 2018 | Copenhagen, Denmark. Website: <http://ecmp2018.org>. The European Congress of Medical Physics will take place on 23–25 August in Copenhagen, with EFOMP-accredited pre-meetings on 22 August, European Diplomate Exams on 21 August and a summer school on 20–21 August. Early registration deadline is 21 May. Bridging knowledge across specialities is the motto of the Congress but also among the main reasons to participate in this scientific initiative.
