You May Ask Yourself gives instructors an alternative to the typical textbook by emphasizing the big ideas of the discipline. Dalton Conley's "non-textbook" strategy explains complex concepts through personal examples and storytelling, integrates coverage of social inequality throughout the textbook, and provides the largest collection of instructor resources for a book in its price range.

## 3 questions to ask yourself before spending money this ...

The market leader for introductory sociology courses and a welcome alternative to traditional textbooks, You May Ask Yourself engages students with an irreverent narrative style. It questions what is often taken for granted and helps students apply sociological ways of thinking to their own experiences.
